Okay, I feel the rhythm  
Something's going on here  
The music flows through my veins  
It's taking over me, it's slowly  
kicking in  
My eyes are blinking and I don't  
know what is happening  
I can't control it, don't wanna end it  
There's no one here and I don't care  
I feel it's safe to dance alone (dance  
alone)  
Dance alone (dance alone), dance  
alone (dance alone)  
Dance alone (dance alone), dance  
alone (dance alone)  
Dance alone (dance alone), dance  
alone  
Let's discoteque right at my home  
It is okay to dance alone  
Dance alone, dance alone (alone)  
Dance alone (alone), dance alone  
(alone)  
I got the moves, it's gonna blow  
Dance alone, dance alone  
Dance alone, dance alone  
By dancing on my own  
I'm healing wounded soul

My body's shaking, heart is  
breaking  
Have to let it go  
I need to get up and put my  
hands up  
There's no one here and I don't  
care  
I feel it's safe to dance alone  
Let's discoteque right at my  
home  
It is okay to dance alone  
Dance alone, dance alone (alone)  
Dance alone (alone), dance alone

ANA SOKLIC

**LETRA | LYRIC**

Hey child  
Why ya hidin' from the light?  
Why ya cowering in fright?  
Don't tell yourself the Heavens  
cast you out  
And you've fallen from grace  
You'll get beaten and bruised  
You'll be scarred unto your core  
But it's gonna make you who you  
are  
When ya learn to heal  
When ya learn to rise again  
You can tell the sun, "Amen"

Hallelujah  
We're glorious  
Hallelujah  
The day is dawning  
The storm's relentless  
But everybody knows  
Everybody knows we'r born to  
the fight

Hey child  
The f ar will never go away  
Might as well accept it now  
Learn to persevere (Ah, ah)

Oh, learn to count your blessings  
down  
Greet the future with, "Amen"

Hallelujah  
We're glorious  
Hallelujah  
The day is dawning  
The storm's relentless  
But everybody knows  
Everybody knows we're born to  
the fight

Not until the rain has stopped  
Not until the thunder's hushed  
are we at rest  
Are we at peace? Just imagine it  
Not until the storm has passed  
Not until it's quiet  
Can the heart that's broken cry?

Hallelujah  
We're glorious  
(Hallelujah) Oh, yeah  
The day is dawning  
The storm's relentless  
But everybody knows

Everybody knows we're born to  
the fight

Hey child  
Why ya hidin' from the light?

## LETRA | LYRIC

There's fire in the rain  
But we'll get up again  
We're thousand miles apart  
But we'll overcome  
I'll never let you down  
World is turning us around  
But I feel it in my heart  
Let's make a brand new start  
Can't stop us now, forget the haters  
Get up and live and make it matter  
There's more to life so go ahead  
and sing it out  
Can you hear a million voices  
Calling out in the rain?  
You know we got a million choices  
So go get out and let it rain  
A million voices, voices (x4)

There's fire in the rain  
And I can feel your pain  
Painting all the scars in  
The colors of change  
Don't let them hold you down  
Don't let them hold you down  
Go shooting like a star  
The star you are

Can't stop us now, forget the haters  
Get up and live and make it matter  
There's more to life so go ahead  
and sing it out  
Can you hear a million voices  
Calling out in the rain?  
You know we got a million choices  
So go get out and let it rain  
Can you hear them?  
A million voices, voices (x3)  
Can you hear them?  
A million voices  
Can you hear them? (Can you hear them?)  
Can you hear them?  
Can you hear a million voices  
Calling out in the rain?  
You know we got a million choices  
So go get out and let it rain  
Can you hear them?  
A million voices, voices (x3)

I wanna be close to my mother  
I wanna belong to the world  
A mirror that shows technicolor  
I'd be a magnificent girl

But everything is frustrating  
Everything moves along  
Faster than I can relate to

But I got power, yeah  
Midnight is the hour, yeah  
Time to take off your cloaks

Techni-technicolour  
Techni-technicolour  
If we stand together  
We can do whatever  
Techni-technicolour  
Techni-technicolour  
If we care for one another  
We can

I wanna know that there's a future  
That I can move myself towards  
And yet I promise you  
Yes all you nasty dudes  
I don't need certainty  
To get my pot of gold

Everything is frustrating  
Everything moves along  
Faster than I can relate to

But we got grace, yeah  
We got style and lasers, yeah  
Time to take off your cloaks

Techni-technicolour

**LETRA | LYRIC**

There are times when I remember  
back  
Wish to hug the child about to  
crack  
I'll tell him: "Wait, you won't be  
long  
Trust your heart and just stay  
strong"

'Cause baby, they all tried to break  
us  
Not knowing it's what makes us  
This is how we found our way  
Now here I stand  
There's no pretend  
The walls are down, my heart's in  
your hand  
Unchain my wings  
And the oceans of tears will fade  
to black  
With the song of my years, ooh-  
ooh-ooh

They all tried to break us (Tried to  
break us)  
Not knowing it's what makes us  
(They don't know)

This is how we found our way  
(This is how we found our way)  
(Here I stand)  
My walls are down, my heart's in  
your hand  
They all tried to break us (To

Not knowing it's what makes us  
(They don't know)  
This is how we found our way

There are times when I remem-

I'm gonna let go of the armor  
Let off the power that I've been  
lighting  
Not afraid of the monsters, of the  
nightmares  
That I've been fighting  
Easy to run, harder to stay  
Finding colors in the grey  
You thought I was done  
But I've gotta go on  
I fell twice, now I'm twice as strong

I've been searching all the wrong  
places  
I've been trying too many faces  
Only one way to go  
This is the way back home  
I've been searching all the wrong  
places  
I've been trying too many faces  
Only one way to go  
This is the way back home

I had to take all of the wrong ways  
All of the wrong ways  
As I couldn't see  
All the signs, all the mistakes  
Pointing one way to get back to me

Easy to run, harder to stay  
Finding colors in the grey  
You thought I was done  
But I've gotta go on  
I fell twice, now I'm twice as strong

I've been searching all the wrong  
places  
I've been trying too many faces  
Only one way to go  
This is the way back home  
I've been searching all the wrong

I've been trying too many faces  
Only one way to go  
This is the way back home

[Bridge]  
My soul is a map, my heart is a

I am the road  
There's only one way to go  
This is the way back home  
My soul is a map, my heart is a

I am the road  
There's only one way to go  
This is the way back home

I fell in love, I fell in love  
I gave my heart to el diablo, el diablo  
I gave it up, I gave it up  
Because he tells me I'm his angel,  
I'm his angel

Tonight we're gonna burn in the party  
We wild as fire that's on the loose  
Hotter than sriracha on our bodies  
Ta-taco tamale, yeah, that's my mood  
All this spicy melts my icy edges  
Baby, it's true  
Tonight we're gonna burn in a party  
It's heaven in hell with you  
Mama-mamacita, tell me what to do  
Lo-la-lo-la-loca, I'm breaking the rules  
If I in love, I fell in love  
I gave my heart to el diablo, el diablo  
I gave it up, I gave it up  
Because he tells me I'm his angel,

I'm his angel  
Oh oh oh, el diablo, el diablo  
I fell in love, I fell in love  
I gave my heart to el diablo, el diablo

Tonight we're gonna dance in the moonlight  
Dropping my lashes on the floor  
Hair flip-flip, made you look twice  
Touch me, touch me, mi amor  
All this spicy melts my icy edges  
Baby, for sure  
Tonight we're gonna dance in the moonlight  
And then we're gonna do it some more  
Mama-mamacita, tell me what to do

What can I say?  
I can't make her stay  
When I know that she's so far above  
How could she ever love someone like me?  
She's out of reach

Here in the dark  
Inside a hole in my heart  
I'm fighting all of my demons tryna tear me apart  
And I'm still not sure what you ever saw in me

No, I'm a, I'm a fallen angel  
And no matter where my heart is  
There's no way I'll ever reach up to Heaven to you

She's so far out of this world  
No way I could ever be with her  
'Cause I know Heaven's your home  
That's where angels belong  
And it wouldn't be fair  
If I keep you down here

Here in the dark  
Inside a hole in my heart  
I'm fighting all of my demons tryna tear me apart  
And I'm still not sure what you ever saw in me

No, I'm a, I'm a fallen angel  
Tryna fly but I'm not able, oh-oh-oh-oh  
And I need you to know  
That it's okay to let me go  
'Cause no matter where my heart is  
There's no way I'll ever reach up to Heaven to you

Tried to fix the broken pieces, now

Tried to fool me more than once  
to keep me dreaming  
'Cause you knew the truth would

If you pull me down then I'll come  
around  
And rise up to come show you  
who I am  
I feel fire inside, my heart's desire  
I'm breaking free from you

Tick-tock, watch the days go  
I'm losing track of time  
Lost in your playzone  
Don't overcomplicate  
Now we're in warzone  
You're screaming, "Oh no, oh no,  
oh no"  
Tick-tock, I'll take you dancing  
In time with my parade  
You think you're fancy  
I play the game my way and you'll

be beggin'  
"Please baby, don't go, don't go,

I hear those voices from far away  
They help me to escape (Escape)  
I found myself and I'm finally free

You're lying next to me, I don't  
know where to hide  
I see his smiley face that makes me  
wanna cry  
What was I thinking? 'Cause all we  
did was fight  
Don't you ever dare to wear my  
Johnny Cash t-shirt

You're in the wrong place, you're in

the wrong place  
You're in the wrong place, you're in  
the wrong place  
You're in the wrong place, you're in  
the wrong place

Don't you ever dare to wear my John-

## LETRA | LYRIC

Take a look what we've become  
It's been so long getting you out  
of my life  
I feel so strong

Set me free  
Feel my beating heart in perfect  
harmony  
Don't let me down

Feeling like in prison  
Looking for the reason  
I don't wanna say goodbye  
Feels like no tomorrow  
Everywhere that I go  
Babe I'm gonna lose my mind  
Just another story  
Tell me not to worry  
And everything will be just fine  
Used to be your treasure now I'm  
gone forever  
Think I'm going back in time

Set me free  
Feel my beating heart in perfect  
harmony  
Don't let me down

Oh, oh, oh I'ma make it on my  
own  
Oh, oh, oh I'ma make it on my  
own  
Oh, oh, oh I'ma make it on my  
own  
Oh, oh, oh I'ma make it on my  
own

Life has been so easy  
Used to call us cheesy  
It was paradise in my bed so  
lonely  
You're the one and only  
Hello I know I paid the price  
Clock is ticking tik-tak  
Everything is chik-chak  
And I don't know what to do  
People tell me honey  
Yalla balaganim  
One day dreams will become  
true

Set me free  
Feel my beating heart in perfect  
harmony  
Don't let me down  
Oh, oh, oh I'ma make it on my  
own

Oh, oh, oh I'ma make it on my  
own  
Oh, oh, oh I'ma make it on my  
own  
Oh, oh, oh I'ma make it on my  
own

I'm so awesome, come and get  
some  
What are we living for? (Oh)  
I'm your reason, spicy season  
Like we did before  
Come let me take you high and  
set the place on fire  
Twenty twenty-one degrees  
Feel my beating heart and  
Set me free

Set me free  
Feel my beating heart in perfect  
harmony  
Don't let me down  
Set me free  
Feel my beating heart in perfect  
harmony  
Don't let me down

## LETRA | LYRIC

Once upon a time I used to know  
a girl  
Ripped jeans, messy hair, shinin'  
like a pearl  
Like a summer day she could push  
the night so far away

If you feel what I feel, see what I  
see  
Don't bring yourself down  
You are not alone, not alone now

Oh, I lost myself tryna have it all  
This world view's in a rush and they  
say they know it all  
Oh, I lost myself tryna have it all  
Self love amnesia, don't worry if it  
got you  
'Cause you're not alone, not alone  
I try to fight but it's getting strong,  
getting strong, getting strong  
Oh, I lost myself tryna have it all  
Self love amnesia, don't worry if it  
got you  
'Cause you're not alone

Giving all they want might make  
you lose control

They keep preaching words like I  
should know  
People always say: "Be careful  
what you wishin' for"

If you feel what I feel, see what I  
see  
Don't bring yourself down  
You are not alone, not alone now

Oh, I lost myself tryna have it all  
This world view's in a rush and they  
say they know it all  
Oh, I lost myself tryna have it all  
Self love amnesia, don't worry if it  
got you  
'Cause you're not alone, not alone  
I try to fight but it's getting strong,  
getting strong, getting strong  
Oh, I lost myself tryna have it all  
Self love amnesia, don't worry if it  
got you  
'Cause you're not alone

Self love (Self love) is never gone  
Self love (Self love), put it back on  
Oh, self love, self love, you're not  
alone  
Not alone, not alone, self love

amnesia

I lost myself tryna have it all  
This world view's in a rush and they  
say they know it all  
Oh, I lost myself tryna have it all  
Self love amnesia, don't worry if it

Babe, are you hurtin'?

You look like an angel that fell  
from the sky  
And boy, you keep talkin', massa-

With your unoriginal pick-up line  
(Hell no, what you gonna do?)

Hell no, I am not your honey  
Hell no, I don't want your money  
Got it wrong, I ain't into dummies  
Nuh-uh-uh-uh

So baby, it's not a maybe  
Yeah, I'm too good to be true  
But there's nothing in it for you  
So if I show some skin  
Doesn't mean I'm giving in

So baby, don't leave me lonely now

## LETRA | LYRIC

Wonder if it ever crossed your mind  
That what we had was really unbe-  
lievable, unbeatable, a miracle  
Why'd you have to go and mess  
it up?  
Why'd you have to make what was  
unbreakable shakable, unsavable?

And now it's too late to cross your  
fingers  
I'm wide awake and not a dreamer  
Hate it, but it seems the dreams  
were never true  
For a little while the fates were  
with us  
Wonder why they had to turn  
against us  
I could make a wish, but there is  
no use

I can feel  
Even though I'm numb  
The change to come will hurt  
someone

I can see  
This time it isn't me  
I might be the lucky one

I don't need a crystal ball to show  
me  
Baby, it is plain that you don't know  
me  
When it comes to you I'm better off  
alone (Better off alone)

I don't need a crystal ball to make  
me  
Realize that if I stay you'll break me  
Every sign is saying I should be  
gone  
I should be gone

Thought I had a cloud over my  
head  
It had to be my fault that it kept  
raining down  
Until now, I figured out  
That if I had the nerve to say  
goodbye  
I could look for clearer skies up  
over head  
Weather says sun instead

I don't need a crystal ball to show  
me  
Baby, it is plain that you don't know  
me

When it comes to you I'm better off  
alone (Better off alone)

I don't need a crystal ball to make me  
Realize that if I stay you'll break me  
Every sign is saying I should be gone  
I should be gone

I can feel (Even though I'm numb)  
The change to come will hurt

I can see  
This time it isn't me

Why don't you come over and have it?

[Verse 1]  
I did a lot of dumb shh  
Lot of things I wish I didn't do, aye  
Baby, come back, won't you?

## LETRA | LYRIC

My heart was born a radical  
Electric and dynamical  
I never listened to the remedies  
With no forevers, no eternities  
Holding on beyond the night  
For a shadow that feels right  
Holding on beyond the night to you

If the dreams we made are made of fire  
I would give a life just to live the dream again  
If our hearts are hanging on a wire  
Let's forget the world below and dance until the end

Let's dance  
Our last dance  
A rockin' romance  
This ain't our last dance  
Let's dance  
Oh-oh-oh-ooh-ooh  
Oh-woah-woah-ooh  
Oh-oh-oh-ooh-ooh-ooh

My heart was born in neon lights  
Floating in space like satellites  
Looking for signs of life tonight

As we collide in black and white  
Holdin' on beyond the night  
For a shadow that feels right  
Holdin' on beyond the night to you

If the dreams we made are made of fire  
I would give a life just to live the dream again

Let's dance  
Oh, last dance  
A rockin' romance  
This ain't our last dance  
Let's dance  
Oh-oh-oh-ooh-ooh  
Oh-woah-woah-ooh  
This ain't our last dance

Take a deeper breath before we touch  
Running out of time, let's use it up  
And hold me before the morning comes

Let's dance  
Oh-oh  
A rockin' romance  
This ain't our last dance  
Let's dance

Lights, beaming down the rainy street  
All the faces that I meet tell me I'm wrong  
Ride, staring at the neon signs  
Making up a storyline, gotta hold on  
Not lost, even in the death of night  
I can make it out alright  
Just let me go  
Yeah, I, I will make it through somehow  
Let me figure out what is in and out  
So baby, hold on for the ride of your life  
High above ground, living it now

Taking that fight, make it alright  
It doesn't matter if I stumble and fall  
I'll make it through, I'll never touch the ground  
So baby, hold on for the ride of your life  
Hold on real tight, make it alright  
Hard, I won't give my heart and soul  
I am going for the glow, no looking back

I'm gonna rise high up in the atmosphere  
I ain't got no time to fear  
Follow my tracks

Come over, come over

Get me all satisfied

We've been together for a decade now  
Still everyday I'm lovin' you more  
If I could do it all again  
I'd probably do it all the same as before

I don't wanna know what would've happened if I never had had your love  
I didn't become myself before I met you  
I don't wanna know what would've happened if I never had felt your love  
Everything about you I like

We started out so fast  
Now we can take it slower  
But it takes some time  
Takes a little time, so take a little time  
As it ages like wine

How does it keep getting better?  
Everyday our love finds a new way to grow  
The time we spend together

Hmm, simply feels good  
We got a good thing going

And just when I thought that my heart was full  
I found places that I never explored  
You're so fascinating  
And I can't remember the last time I was bored

I don't wanna know what would've happened if I never had had your love  
I didn't become myself before I met you  
I don't wanna know what would've happened if I never had felt your love  
Everything about you I like

How does it keep getting better?  
Everyday our love finds a new way to grow (Finds a new way to grow)  
The time we spend together  
Hmm, feels good

How does it keep getting better?  
Every day our love finds a new way

to grow  
The time we spend together  
Hmm, simply feels good  
We got a good thing going

LOVE IS ON MY SIDE

THE BLACK MAMBA

## LETRA | LYRIC

Left home when I was only sweet  
sixteen  
Chasing blind love and a bunch of  
broken dreams  
Don't know how I thought I'd be a  
queen  
I could do anything  
And somehow I end up here, I don't  
know why  
I still believe that

Love is on my side  
Love is on my side  
Love is on my side  
Maybe not tonight

I can feel it when it rains  
I can feel it still runnin' through  
my veins  
Ran so fast I couldn't even grow  
Forgot where I belong  
Sold my body on a dirty cold floor  
Yet, I believe that  
I believe that

Love is on my side  
Love is on my side  
Love is on my side

My side

Oh, maybe not tonight  
(Love is on my side) Love is  
(Love is on my side) Love is, love is  
(Love is on my side) Love is on  
my side

Maybe not tonight

### LETRA | LYRIC

Playing tetris with my feelings  
Trynna keep them all inside  
Hollow shadows and my soul is  
spilling over, I'm out of time  
Closing every door  
Wanna be alone  
Lonely is a way that I survive  
Sick of wanting more  
Sitting on the floor  
Wondering where all my feelings  
go  
Nervous system's aching  
Growing up is getting old  
Anxiety is draining  
Getting up is growing old  
Don't get it, there's an ocean of  
emotion that I'm carrying inside  
I am cautious,  
Cause I've never understood how  
so much can fit in little me  
Star crossed soul  
And I'm used to letting go  
Sink deeper in the flow of it  
My demons know exactly where  
my fears  
Are hiding all my tears  
I'm torn by nervous system's

aching  
Growing up is getting old  
Anxiety is draining  
Getting up is growing old  
And if I ever take that second to  
leave my worries behind  
Maybe I could tread the waters  
of time  
Get out of my mind  
Growing up is getting old  
Getting up is growing old  
If your world is breaking  
And growing up is getting old  
Know that you're worth saving  
And getting up is all you've got

Just another night in my pitch black

Lifestyles of the sick and dangerous

Put your middle fingers up

### LETRA | LYRIC

The queen of the night is coming  
The blood moon is rising  
When I walk in like this  
With an attitude  
You should know that  
I'm coming after you  
You can run, you can hide  
But you're mesmerised  
In your mind I am  
Already idolised  
Playing dirty -  
Not my case!  
Giving up hopes -  
Not my case!  
Being envious -  
Not my case!  
If you got something to say,  
Say it to my face!  
The queen of the night is coming  
The blood moon is rising  
(Get ready for a)  
Pa ra ra  
Pa ra ra  
Pa ra ra pa  
Pa ra ra pa pa-rade  
I will glow, I will burn  
Illuminate

Bring the passion inside,  
Let me touch your fate  
I will lead, I will guide you  
On your way  
I am here to remind  
You're in the right place  
Playing dirty -  
Not my case!  
Giving up hopes -  
Not my case!  
Being envious -  
Not my case!  
If you got something to say,  
Say it to my face!  
My rules, your rules  
I'm a woman, I'm a ruler  
My rules, your rules  
I'm accepting only true love  
My rules, your rules  
I'm a woman, I'm a ruler  
You got something to say,  
Say it to my face  
My rules, your rules  
Getting ready for the parade  
My rules, your rules  
No excuses, if it's too late  
My rules, your rules

Everybody follow my way  
You got something to say,  
Say it to my face!

Laisse le vent qui frôle  
Sa main sur mon épaule  
Le vide dans ma tête  
Pas la moindre cachette  
C'est l'aube qui décline  
Derrière un champ de ruines  
Le moment de grandir  
Ne pas te retenir

Je vois derrière nous des morceaux  
de toi  
Et ce que la douleur a fait de moi

Tout l'univers  
Nos deux cœurs sous la terre  
Au milieu des failles où tout éclate  
Se trouver au point d'impact  
Sans toi

Que deviendront nos souffles  
S'ils restent sur le bord?  
Cet amour qui nous tord

Je vois derrière nous des morceaux  
de toi  
Et ce que la douleur a fait de moi

Tout l'univers

Nos deux cœurs sous la terre  
Au milieu des failles où tout éclate  
Se trouver au point d'impact  
Sans toi

Derrière mes paupières  
Trouver de l'air

(Tout l'univers)  
(Nos deux cœurs sous la terre)  
Au milieu des failles et des ressacs  
Nous nous retrouvons au point  
d'impact  
Comment soigner nos cœurs qui  
éclatent?

Dine øjne si'r det samme som mine  
Så jeg sætter i  
Et dansetrin  
Jeg har øvet på hjemmefra  
Og be'r til min skaber, at de griber

(Et dansegulv)  
Rivaler spænder ben og fører krig  
(På et, på et dansegulv)  
Men hvis du ikke slipper mig, så  
letter vi

Ingen ved, hvordan man gør, så  
Lad os øve os på hinanden  
Lige om lidt er vi to voksn  
Du er kvinden, jeg er manden  
Hele gulvet er gået fra forstanden  
La' os øve på hinanden

Tiden er gået i stå  
Din kjole er lyseblå  
Du si'r noget, jeg ikk' ka' høre,  
mens rytmen kører

(På et dansegulv)  
Hvor hjerter svulmer op og går

(På et danse-, dansegulv)  
Vi bli'r aldrig mere levende end  
lige nu

Ingen ved, hvordan man gør, så

I DON'T FEEL HATE  
JENDRIK

### LETRA | LYRIC

I don't feel hate  
I just feel sorry  
You feel so very clever when you  
thought you'd found another way  
to wear me down  
But I don't feel hate  
I just feel sorry  
So you can wiggle with that middle  
finger, and I will wiggle back to you  
'Cause I don't feel  
Sorry  
I really don't care (Ah, ah-ah)  
that you want to bash me (Ah-ah,  
ah-ah)  
Do it with flair and I'll let you be  
(I'll let you be)  
But don't you dare (Don't you  
dare), mmm, to get angry (To get  
angry)  
When you realize those words just  
don't hit me  
What?  
'Cause I don't feel hate  
I just feel sorry  
You feel so very clever when you  
thought you'd found another way

to wear me down  
But I don't feel hate  
I just feel sorry  
So you can wiggle with that  
middle finger, and I will wiggle  
back to you  
'Cause I don't feel hate  
Sorry  
I really don't mind (Ah, ah-ah) to  
be your rival (Ah-ah, ah-ah)  
'Cause for your kind it's essential  
for survival (Say what? He did  
not just say that)  
Yes, I did, and I feel sorry (So  
sorry)  
I don't feel hate, that's the whole  
point of this song (That's the  
song)  
I guess you need patronization,  
as some kind of validation  
'Cause you can't cope with the  
frustration  
That your random me-fixation is  
another affirmation  
That you're just a hateful person  
Who's not really better than me  
Tap break, uh

I don't feel hate (Don't feel  
hate)  
I just feel sorry (I just feel sorry)  
You feel so very clever when  
you thought you'd found  
another way to wear me down  
(Wear me down)  
But I don't feel hate (No, no, no)  
I just feel sorry (Just feel sorry)  
So you can wiggle with that  
middle finger, and I will wiggle  
back to you (Wiggle, wiggle,  
wiggle you)  
'Cause I don't feel hate (No, no,  
no, no)  
I just feel sorry (I just feel sorry)  
You feel so very clever when  
you thought you'd found  
another way to wear me down  
(Don't wear me down)  
But I don't feel hate (I don't feel  
hate)  
I just feel sorry (I just feel sorry)  
So you can wiggle, wiggle,  
wiggle, wiggle, wiggle, wiggle,  
wiggle, wiggle you (Oh wiggle,  
wiggle you)  
'Cause I don't feel

VOY A QUEDARME  
BLAS CANTÓ

### LETRA | LYRIC

Quédate esta noche para ver  
amanecer  
Para sentir tu voz  
Acariciándome

Quédate un segundo más  
no hay nada que perder  
Mientras dibujo un mar  
De memorias en tu piel

He bajado el cielo para descubrir  
Qué se esconde en tu mirada  
Sólo a unos centímetros de mí

Voy a quedarme y prometo  
Quererte más que ayer  
Voy a besarte, muy lento  
Como la primera vez  
Y dejar atrás el miedo  
Con tu alma entre mis dedos  
Quédate, porque yo voy a que-  
darme.

Sé que hay muchos como yo  
con tanto que ofrecer  
Pero juro que este amor  
nadie lo podrá vencer

Y aunque nuestro baile diera  
un paso marcha atrás  
No te preocupes yo  
Contigo siempre bailaré

Qué más da si el mundo se de-  
rumba hoy  
o que pasará mañana  
Que yo de tu lado no me voy

Voy a quedarme y prometo  
Quererte más que ayer  
Voy a besarte, muy lento  
Como la primera vez  
Y dejar atrás el miedo  
Con tu alma entre mis dedos  
Quédate, porque yo voy a que-  
darme.

A tu lado aunque nos tiemble el  
suelo  
Se apague el sol  
Se caiga el cielo  
A tan solo unos centímetros los dos

Y dejar atrás el miedo  
Con tu alma entre mis dedos  
Quédate, porque yo voy a quedarme.

Parler leur de cette fille aux yeux  
noirs et de son rêve fou  
Moi c'que j'veux c'est écrire des  
histoires qui arrivent jusqu'à vous  
C'est tout

Voilà, voilà, voilà, voilà qui je suis  
Me voilà même si mise à nue j'ai

Me voilà dans le bruit et dans le

Regardez moi, ou du moins ce qu'il

Regardez moi, avant que je me

Quoi vous dire, que les lèvres

C'est peu de chose mais moi tout  
ce que j'ai, je le dépose là  
Voilà

Voilà, voilà, voilà, voilà qui je suis

Me voilà même si mise à nue  
c'est fini  
C'est ma gueule c'est mon cri,  
me voilà tant pis

Voilà, voilà, voilà, voilà juste ici  
Moi mon rêve mon envie, comme

Me voilà dans le bruit et dans le

Ne partez pas, j'vous en supplie  
restez longtemps  
Ça m'sauvera p't'être pas  
Mais faire sans vous j'sais pas

Aimez moi comme on aime un

J'veux qu'on m'aime, parce que

Me voilà dans le bruit et dans la

Loro non sanno di che parlo  
Vestiti sporchi, fra', di fango  
Giallo di siga' fra le dita  
Io con la siga' camminando  
Scusami, ma ci credo tanto  
Che posso fare questo salto  
E anche se la strada è in salita  
Per questo ora mi sto allenando

E buonasera, signore e signori  
Fuori gli attori  
Vi conviene toccarvi i coglioni  
Vi conviene stare zitti e buoni  
Qui la gente è strana tipo spac-  
ciatori

Troppe notti stavo chiuso fuori  
Mo li prendo a calci 'sti portoni  
Sguardo in alto tipo scalatori  
Quindi scusa mamma se sto sem-

Sono fuori di testa, ma diverso  
da loro  
E tu sei fuori di testa, ma diversa  
da loro  
Siamo fuori di testa, ma diversi  
da loro

Siamo fuori di testa, ma diversi  
da loro

Io ho scritto pagine e pagine  
Ho visto sale, poi lacrime  
Questi uomini in macchina  
Non scalare le rapide  
Scritto sopra una lapide  
In casa mia non c'è Dio  
Ma se trovi il senso del tempo  
Risalirai dal tuo oblio  
E non c'è vento che fermi  
La naturale potenza  
Dal punto giusto di vista  
Del vento senti l'ebbrezza  
Con ali in cera alla schiena  
Ricercherò quell'altezza  
Se vuoi fermarmi ritenta  
Prova a tagliarmi la testa  
Perché

Sono fuori di testa, ma diverso  
da loro  
E tu sei fuori di testa, ma diversa  
da loro  
Siamo fuori di testa, ma diversi  
da loro  
Siamo fuori di testa, ma diversi

da loro

Parla la gente purtroppo  
Parla, non sa di che cosa parla  
Tu portami dove sto a galla  
Che qui mi manca l'aria

Parla la gente purtroppo  
Parla, non sa di che cosa parla  
Tu portami dove sto a galla  
Che qui mi manca l'aria

Parla la gente purtroppo  
Parla, non sa di che cazzo parla  
Tu portami dove sto a galla  
Che qui mi manca l'aria

Ma sono fuori di testa, ma diverso

Sometimes I know my fire burns  
low  
But as long as you're with me I'll  
never get cold  
'Til day and night, 'til darkness and  
light  
I never worry when you're by my  
side

Oh, feelings change and seasons  
fade  
But nothing will burn us out  
Nothing can stop us now

Out of the embers  
You and I are gonna light up the  
room (Yeah, you and I gonna light  
up the room)  
Out of the embers  
There's a fire burning for you (Yeah,  
there's a fire burning for you)  
I feel the heat here  
There's still a chance for us  
Down here in the ashes, yeah,  
there's something growing  
Out of the embers  
You and I are gonna light up the  
room (Yeah, you and I gonna light)

Light up the room  
Light up the room

You and me forever, we're free  
We're cool under pressure, and  
that's all we need  
So take my hand, and forget the  
past  
We're in this together, there's no  
looking back

Oh, feelings change and seasons  
fade  
But nothing will burn us out  
Nothing can stop us now

Out of the embers  
You and I are gonna light up the  
room (Yeah, you and I gonna light  
up the room)  
Out of the embers  
There's a fire burning for you (Yeah,  
there's a fire burning for you)  
I feel the heat here  
There's still a chance for us  
Down here in the ashes, yeah,  
there's something growing  
Out of the embers

You and I are gonna light up the room  
(Yeah, you and I gonna light)

Light up the room

Out of the embers  
You and I are gonna light up the room  
(Yeah, you and I gonna light up the  
room)  
Out of the embers  
You and I are gonna light up the room  
(Yeah, you and I gonna light up the  
room)

Light up the room  
Light up the room
